Me Me Khaing

memeiiitb2023@gmail.com   meme.khaing@iiitb.ac.in

QUALIFICATIONS

- Experience in project staff focused on research training regarding data deduplication at at Vellore Institute of Information Technology VIT Vellore, India
- Knowledge of student project planning and mentoring
- Skilled in teaching with demonstrated success

EDUCATION

International Institute of Information Technology Bangalore, Computer Science Oct 2023 -2028

Ph.D full time research scholar, Computer Science

RELEVANT COURSEWORK

Introduction To Automata Theory & Computability, Technology Ethics and Artificial Intelligence, Topics in Artificial Intelligence, Multi-Agent Systems, Database systems and Operating Systems (Auditing)

TECHNICAL SKILLS

Programming Languages: C and Python

Operating Systems: Windows, Linux

Database: SQL Server

Software :SQL, MS Teams/ Excel/ Word, Zoom, Slack , Overleaf, Code editors

RELEVANT EXPERIENCE

Myanmar Institute of Information Technology, Faculty of Computer Science   Dec 2018 - till

Lecturer

- Instructor of C programming language and Design and Analysis of Algorithm
- Published research articles and inter- office communication
- Mentored students project

PROJECT EXPERIENCE

International Institute of Information Technology Bangalore, Computer Science   Aug- Nov 2024

- Developed a project to predict the power of wind and solar using meteorological data
- Applied python to establish prediction models

Vellore Institute of Information Technology Vellore, Computer Science   June- Dec 2022

- Served as a project staff and published research articles to avoid redundancy of data
